Good afternoon:

The AutoZone Greater Memphis Area grant application is now available on [AutoZone.com /CommunityRelations](http://AutoZone.com/CommunityRelations). We will accept applications for FY2018 (contributions made from September 1, 2017-August 31, 2018) through May 1st, 2017.

Since AutoZone opened its first store in 1979, we have maintained a deep commitment to the Greater Memphis community. We value our investment and participation in organizations and programs that work to

strengthen and move Memphis forward.

We encourage you to prepare your answers ahead of time; you will not be able to save the application once you have started.

We look forward to reviewing your applications and seeing how your programs have grown and evolved over the last year.

Should you have any questions about the application or process, please reach out to Jenny Koltnow at jenny.koltnow@autozone.com.

Best regards,
AutoZone Community Relations
